To Whom It May Concern:

I am writing this letter to formally express my admiration and thanks to the wonderful performers and entertainment company known as FANTASY FABLES.

As Programming supervisor for the Toronto Special Event, I seldom witness the positive response from our audience as I did when Fantasy Fables performed Wishes and Dreams with Cinderella and Snow White at the Celebrate Toronto Street Festival this summer. The Fantasy Fables show had our audience on the edge of their seat, singing and clapping along to her infectious blend of music and interactive theatre. They performed with confidence, professionalism and were very accommodating at every turn.

The City of Toronto has continually presented the productions from Fantasy Fables for the past three years because of the quality, audience response and success received. I would highly recommend Fantasy Fables for any event you maybe planning. They will certainly be the highlight of your programming season, as they have been for ours.

Sincerely,

Monika Matel-Sousa

Dear Cindy,

I just wanted to thank you again for your assistance in making our Children's Christmas Party this year such a success! This was my third year organizing the Children's Christmas Party and I feel that it was the best one we have ever had because of the assistance and services provided by Fantasy Fables.

The Frosty Comes to Town Show and The Magical Music of Belle were absolutely amazing! I enjoyed watching the children be captivated by your performers. It was as if they were spellbound. Spiderman and Elmo were also a great hit with the kids. They not only walked around speaking with the children but they actually took the time to pose with the children for their parents to take their pictures which everyone appreciated.

You were absolutely right when you told me that having the right Santa is what helps to make your Christmas Party such a success. Thank you for sending us such a wonderful Santa. I had so many parents ask me where we got Santa from because he was the nicest and most realistic Santa we have had in years. Everyone just adored him!

Your professionalism and support provided me with a peace of mind that I have never experienced while planning this party. Everyone found your staff to all be extremely professional, courteous, punctual and friendly which if you believe it or not I have not experienced from other agencies I have used in the past.

Cindy, I want to thank you again for your assistance in making our Children's Christmas Party such a success. One of the main reasons that I enjoyed working with you and look forward to working with you again in the future is that you make it very clear that it means as much to you as to our Company to make sure that our children have a wonderful Christmas Party and that they all truly enjoy themselves. That is a quality of Fantasy Fables that makes your company different from all the others. Thanks again so very much.

All my best for this holiday season,
